Comments on the updated Local Plan Sustainability Appraisal/Strategic Environmental Assessment (SA/SEA)

We note that the SA/SEA has been updated in February 2024, but we have no significant comments to make concerning the Plan s SA/SEA.

Comments on Main Modification

We note that the HRA dated February 2024 concludes that there will be no new Likely Significant Effects (LSEs) upon any habitat site as a result of the proposed modifications and that the main modifications will not change the findings of the 2023 HRA report.

We concur with these conclusions of Main Modification that the proposed Local Plan will have no adverse effects on the integrity of any internationally
